

**Extraordinary Measure No. 1/2021
of the Regional Public Health Authority of the Plzeň Region**

The Regional Public Health Authority of the Plzeň Region based in Plzeň (hereinafter the "RPHA"), as the competent administrative authority, pursuant to Section 82(2)(m) of Act No. 258/2000 Coll., on Public Health Protection and on the amendment of certain related acts, as amended, and Section 2(1) of Act No. 94/2021 Coll., on Extraordinary Measures during the COVID-19 Disease Epidemic and on the amendment of certain related acts, orders via the procedure pursuant to Section 69(1)(i) and (2) of Act No. 258/2000 Coll., on Public Health Protection and on the amendment of certain related acts, as amended, and pursuant to Section 2(2)(i) of Act No. 94/2021 Coll., on Extraordinary Measures during the COVID-19 Disease Epidemic and on the amendment of certain related acts, this Extraordinary Measure in order to protect the population against the further spread of the COVID-19 disease caused by the novel SARS-CoV-2 coronavirus:

I.

Effective from 9 March 2021 for the effective term of Czech Republic Government Resolution No. 217 of 26 February 2021, on the Adoption of Crisis Measures, the RPHA orders all retail sale establishments and establishments selling and providing services, the operation of which is not prohibited pursuant to point I/1 of Czech Republic Government Resolution No. 217 of 26 February 2021, to perform **regular increased surface disinfection** using a virucidal agent, namely the disinfection of frequently touched surfaces, specifically:

door handles, shopping cart handles, payment terminals - in the scope of minimally two times per day.

II.

Definition of terms

Disinfection is a set of measures for the disposal of microorganisms by physical, chemical or combined procedures to interrupt the infection route from the source to a sensitive natural person

Virucidal effect means efficacy for a broad spectrum of viruses, including non-enveloped viruses.

The purpose of performing the aforementioned surface disinfection is to protect society (the customers) and limit the spread of the COVID-19 disease caused by the novel SARS-CoV-2 coronavirus in the Plzeň region.

III.

This Extraordinary Measure takes effect on the date it is issued.
